MOISTURE BARRIER

MOST BREATHABLE. MORE CONDITIONS.

Delivering Lab Tested,
Field Proven Protection
FOR DECADES

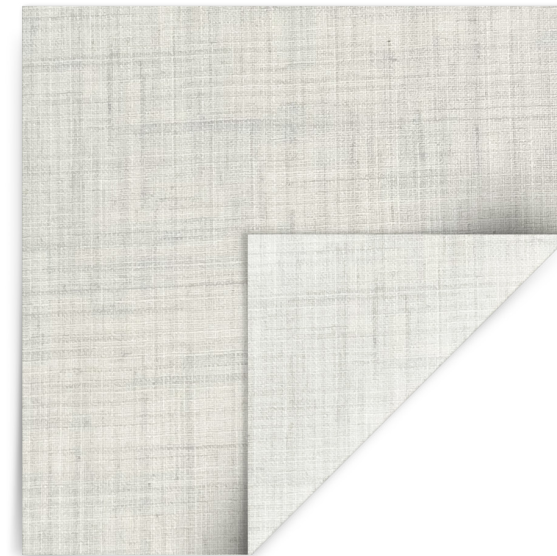

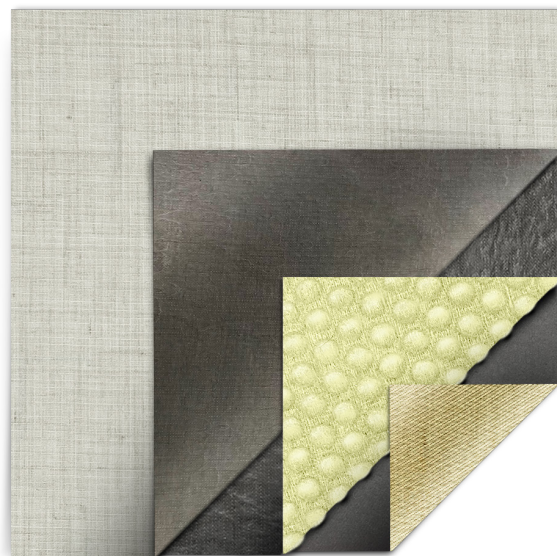

GORE-TEX PRODUCTS PROVIDE THE HIGHEST LEVEL OF BREATHABILITY AND DURABILITY IN A BROAD RANGE OF CONDITIONS.

- Lower body core temperature because our barriers are the most breathable in a broad range of conditions
- Long lasting liquid and particulate protection due to excellent product durability
- Non-exposure to harmful product chemicals confirmed through OEKO-TEX® 100 certification
- Reliable thermal protection that has been certified in the lab and proven in the field for decades

SELECTING THE RIGHT GORE BARRIER

Which product you need depends on you, but when you select any of our innovative barriers, you can be confident that you've chosen the best combination of protection and comfort available.

	 <p>Highest breathability Maintains thermal protection better when gear gets wet</p>	 <p>Best combination of breathability and durability Chosen by most major metros</p>	 <p>Most durable for long lasting protection</p>	 <p>Excellent protection, performance, and value</p>
