PERFORMANCE FR OUTERWEAR
FLAME-RESISTANT, WATERPROOF, WINDPROOF, BREATHABLE

Flash-fire, Petroleum Exposure, and Environmental Protection

Lightweight, Comfortable, and Durable
GORE-TEX PYRAD® products offer an ideal balance of protection, comfort, and durability for oil & gas workers in physically demanding and extreme environmental conditions. Made with GORE-TEX PYRAD® fabric, this waterproof, windproof, breathable line of products provides an optimum combination of protection against flash fire, petroleum, oil-based hazards, and hot liquids/steam without sacrificing comfort in a lightweight, low bulk form.

Safety & Protection
- Flash-fire resistant
- Meets or exceeds ASTM F2733-09
- Meets ASTM F1891 Arc Rating: $E_{BT} > 8.8\text{cal/cm}^2$
- Hot liquid and steam resistant
- Petroleum and oil-based mud resistant
- Durable foul weather protection - rain, wind, snow

Retro-reflectivity
- Hi-vis yellow and hi-vis orange certified specifications
  - ANSI 107-15
  - CSA Z96-15
