

ARMY INTERMEDIATE COLD/WET GLOVE WITH GORE-TEX® FABRIC

Gloves that stand up to weather and hard duty

Four-way stretch nylon on back of hand and curved fingers improve dexterity and ergonomics

Adjustable wrist cinch for a comfortable and secure fit.

Quilted polyester insulation, liner and fleece wrist cuffs provide thermal protection

Soft, nose-wipe patch on the back of the hand/first-knuckle

Goatskin on palms and fingers provides protection from cuts and punctures as well as durability to withstand heavy-duty activities

ARMY INTERMEDIATE COLD/WET GLOVE WITH GORE-TEX® FABRIC

The ICW glove made with the GORE-TEX® glove insert provides protection in a wide range of conditions, from guard duty at 2:00 a.m. in the freezing cold, on patrol in a choking dust storm, or loading gear in the pouring rain. Hands stay dry, warm, and comfortable thanks to one tough glove that's waterproof, pliable, and streamlined.

The gloves provide maximum comfort while operating combat zone vehicles and equipment. They are also durable enough to withstand digging, moving cargo and other heavy-duty activities.

For more than 30 years, W. L. Gore & Associates, Inc. has developed high-performance fabrics that withstand the harsh environments military, law enforcement, fire and rescue professionals encounter on their missions. Gore combines research in the fundamental science of fluoropolymers with a thorough understanding of the challenges these professionals face to engineer durable protective fabrics. After extensive laboratory testing and field trials, Gore stands behind these fabrics, ensuring that each product does what we say it will do.

PERFORMANCE ENHANCING DESIGN FEATURES

- 100% Waterproof, Windproof & Breathable.
- Superior trigger finger flexibility to aid shooting accuracy and safety.
- Resistant to cuts and punctures from sharp objects.
- Prevent blisters by keeping hands dry during strenuous activity.
